INTRODUCTION

Investment and M&A analyst based in Geneva with cross-border small & mid-cap experience in Europe, strong financial modelling and valuation skills, and exposure to healthcare, tech and industrial sectors. Keen to transition to a long-term, multi-asset investment role within a single-family office, combining rigorous analysis, portfolio thinking and data-driven processes.

WORK EXPERIENCE

Auraïa Capital Advisory – Small & Mid Cap Cross-border M&A Boutique **Geneva, Switzerland**
Mergers & Acquisitions Analyst (Converted internship into full-time position) *Aug 2024 – Current*

- Analyse and evaluate small & mid-cap companies in healthcare, tech & software, services and industrials across Switzerland and Europe, producing detailed company profiles, sector mappings and financial models to support investment and transaction decisions
- Build integrated valuation models (DCF, trading and transaction comparables, LBO, scenarios and sensitivities) and prepare clear written materials (teasers, information memorandums, presentations) used by entrepreneurs, investors and boards
- Implement data- and AI-driven processes to systematise target and investor screening, maintain dynamic deal and company databases and improve monitoring of opportunities and counterparties over time

RC Group – Currently under LBO with Crédit Mutuel Equity **Paris, France**
Mergers & Acquisitions Intern *Feb 2024 – Aug 2024*

- Supported the CEO of the Healthcare & Retail division in designing and executing a buy-and-build strategy, screening over 180 European targets, engaging with management teams and contributing to investment analyses and recommendation memos

Europ Assistance – Subsidiary of Generali Insurance **Geneva, Switzerland**
Financial Analyst Intern *Apr 2023 – Aug 2023*

- Built P&L models and three-year forecasts for a portfolio of ~CHF 20m B2B contracts, monitored performance against budget and prepared concise reports for the CFO to support profitability, pricing and strategic decisions

LEADERSHIP

- Finalist – Keyrock x McKinsey 2024: co-developed a quantitative model using order book and market data to forecast disruption scenarios and presented strategic recommendations under time pressure to Keyrock leadership and McKinsey partners
- Associate – AIESEC: relaunched post-COVID business development by sourcing corporate leads, producing tailored pitchbooks and negotiating three partnerships (~CHF 60k), significantly increasing volunteer placements
