INTRODUCTION

M&A analyst with hands-on experience in financial modeling, P&L analysis, and cross-border deal execution across 10+ mandates valued EUR 5M-50M. Built automated dashboards tracking KPIs and conducted variance analysis on monthly results for a CHF 50M subsidiary. Eager to apply analytical rigor and collaborative mindset to Trafigura's Deals Desk and Operations rotations.

WORK EXPERIENCE

Auraïa Capital Advisory – Small & Mid Cap Cross-border M&A Boutique **Geneva, Switzerland**
Mergers & Acquisitions Analyst (Converted internship into full-time position) *Aug 2024 – Current*

- Led end-to-end execution in a lean 3-person deal team across 10+ live mandates: sourcing targets, building valuation models (DCF, LBO, trading comps), coordinating due diligence, and managing negotiations through closing
- Built detailed financial models and prepared client presentations for Board meetings and investor pitches; maintained buyer universes of 30+ potential acquirers per mandate and coordinated data room management
- Managed relationships with clients, legal advisors, and counterparties throughout transaction lifecycle; reconciled positions daily with stakeholders across Europe, US, and Asia to ensure accurate deal tracking

RC Group – Currently under LBO with Crédit Mutuel Equity **Paris, France**
Mergers & Acquisitions Intern *Feb 2024 – Aug 2024*

- Worked directly with CEO of Healthcare and Retail divisions on evaluating acquisition targets in France and Belgium; prepared investment memos with market analysis and financial projections; conducted financial due diligence on targets with EUR 10M-30M revenues

Europ Assistance – Subsidiary of Generali Insurance **Geneva, Switzerland**
Financial Analyst Intern *Apr 2023 – Aug 2023*

- Built automated financial dashboards in Excel and PowerBI to track KPIs for 5 business units; performed variance analysis on monthly P&L results and investigated discrepancies for CFO reporting; developed new cost allocation model improving profitability analysis

LEADERSHIP

- McKinsey Case Finalist: Developed data-driven model to forecast black swan events using order book data and statistical arbitrage; presented to Keyrock management with CHF 200K revenue impact
- AIESEC Associate: Led post-COVID financial recovery by sourcing corporate leads and negotiating partnerships; closed 3 deals generating CHF 60K annual revenue and +40% volunteer placements
- Founded Screeny.ai: Built AI software for M&A buyer identification adopted by 3 advisory firms; reduced search time from 10h+ to 20min through automated screening algorithms
