## INTRODUCTION

Trading product-focused MSc Finance candidate with derivatives, fixed income, and equity knowledge from coursework and active options portfolio management. Strong coordination skills developed managing concurrent workstreams and cross-functional stakeholders. Process optimization mindset demonstrated through automated dashboards and data pipeline development.

## WORK EXPERIENCE

**Auraïa Capital Advisory – Small & Mid Cap Cross-border M&A Boutique** **Geneva, Switzerland**
*Mergers & Acquisitions Analyst (Converted internship into full-time position)* *Aug 2024 – Current*

- Staffed on 7 live mandates across healthcare, tech, and financial services with deal values from EUR 5M to EUR 50M, managing concurrent workstreams including valuations, due diligence, and process coordination with external advisors.
- Built detailed financial models (DCF, trading comps, precedent transactions) and prepared client presentations for Board meetings, translating complex financial data into actionable insights for senior stakeholders.
- Coordinated with legal, tax, and accounting advisors to structure transactions and negotiate deal terms, ensuring alignment between business requirements and technical execution across multiple parties.

**RC Group – Currently under LBO with Crédit Mutuel Equity** **Paris, France**
*Mergers & Acquisitions Intern* *Feb 2024 – Aug 2024*

- Conducted financial and operational due diligence on targets with revenues of EUR 10M-30M, analyzing market trends, competitive positioning, and financial projections to identify key value drivers and support acquisition decisions for the CEO of Healthcare and Retail divisions.

**Europ Assistance – Subsidiary of Generali Insurance** **Geneva, Switzerland**
*Financial Analyst Intern* *Apr 2023 – Aug 2023*

- Built automated financial dashboards in Excel and PowerBI to track KPIs and performed variance analysis on monthly P&L results for a CHF 50M+ subsidiary, supporting the CFO in identifying operational efficiency improvements and reporting anomalies.

## LEADERSHIP

- Founded Screeny.ai, an AI-driven software for investment banks to identify acquirers, reducing buyer search time from 10h+ to 20min and securing adoption by 3 advisory firms.
- Finalist in McKinsey-sponsored case competition, developing a predictive model for black swan events using order book data with potential CHF 200K annual revenue impact.
- Manage personal investment portfolio using options strategies (Cash Secured Puts, Covered Calls) on derivatives with 45-day expiries, achieving 8% annualized returns.
